

## WINNERS ANNOUNCEMENT AND SEASONAL GREETINGS

Dear Members,

The committee and I are very disappointed that we are unable to hold our traditional prizegiving this year. However, there are some results for the season. Where possible these were awarded at the event but there are a few that will be hand delivered by a member of the committee.

Well done to all the winners and thank you to everyone who took part and helped to make these events possible. To those members who re-joined the Club despite not being able to sail themselves, thank you for your support. I hope that next year will see a return to something closer to normal and we will all be able to sail together.

Here are the results:

The **St Margaret's Trophy for Most Promising New Sailor** goes to Sam Sutherland. Sam did an RYA Level 2 course in Peterhead at the beginning of the year and joined the Club looking to improve his skills. He has certainly managed to do so and we are delighted to welcome him to our club.

I have also decided to award the **Robertson Trophy for Contribution to the Club** to Bill Myles. Bill has done a great deal as Treasurer since the end of last year, including setting up a new bank account, moving the Club to a limited company, registering the club as a Community Amateur Sports Club and submitting a successful claim to our insurers to cover the majority of the cost of replacing the septic tank. All part of the Treasurer's role he would say. However, in addition to that he has taken the lead in welcoming new and prospective members to the Club. Not only chatting to them and showing them around but also spending time helping them to get rigged and out on the water and offering advice and guidance. Thank you Bill, for everything that you have done for the Club this year.

I would like to thank everyone on the committee for their hard work and support this year. Without them it would not have been possible for us to do some sailing and keep the Club going through this most challenging of years.

I wish you all a very happy and peaceful Christmas and look forward to next year's season with cautious optimism.

Best wishes,

*Helen Brown*
